

McGee's Ice Cream History, Hyannis MA

Since the 2004 season McGee's Ice Cream was conceived in a vision to provide ice cream excellence for all to enjoy when visiting the center of Cape Cod tourism. Over many years McGee's Ice Cream has continued to develop as a preferred destination in a small seaside community located at 569 Main Street, Hyannis, MA.

The McGee family feels this area has been in need of an establishment which serves premium quality hard ice cream provided by a local dairy and a wonderfully unique offering of soft ice cream in a friendly family atmosphere. McGee's Ice Cream selection extends over 51 flavors provides patrons with a wonderful selection to appease even the most avid ice cream connoisseur. Our soft serve flavor burst allows children to mix three unique syrup flavors into a smooth soft serve vanilla ice cream. The traditionalist can have a smooth flavored vanilla, chocolate or twist. McGee's Ice Cream has hard ice creams, yogurts, non-fat yogurts, dairy free slush, and sugar free ice creams for diabetic customers. We strive to provide a desert for everyone regardless of their ice cream preference.

In addition to the assortment of ice creams we have a gourmet food menu now serving sandwiches, hotdogs with fixings and our favorite Del's soft frozen Lemonade. We look forward to your visit and will be happy to share our family ice cream history with reasons for selecting our fine selection of foods.

History of Hyannis, Barnstable MA

Since 1602 Hyannis has enjoyed a rich and powerful history.

Early settlers of this area were primarily farmers. In 1690 Edward Coleman, Jr. built the first permanent residence at the head of Lewis Bay and settlers from England incorporated the Town of Barnstable in 1639.

By the 18th century, over 200 shipmasters had dwellings in Hyannis as the area becomes known as "the Port" due to its central location and marine activities.

Since 1874 senators, dignitaries and presidents including President Ulysses S. Grant, President Grover Cleveland and of course President John F. Kennedy have visited or called Hyannis home.

Today, Hyannis is the largest and most central village of the Town of Barnstable. Other villages include Barnstable, Cotuit, Centerville, Marstons Mills, Osterville and West Barnstable.
